2020-2022 EXECUTIVE BOARD

Despite a pandemic and with all the necessary rules for senior safety -The Farmingdale Women's Club was able to properly retire their former leaders and welcome in the new executive committee. Co-Presidents Cheryl Parisi and Lorraine Stanton were applauded for an extremely successful term which included a signature project - donating enough funds to establish a Learning Center wing to a school in Bangladesh, India and approx.. \$2750 donation to St. Joseph's Hospital healthcare workers for PPE materials. Thank you both for great leadership and these worthy projects.

There was never a doubt that the Women's Club would continue their charitable work as the Executive Board 2020-2022 was sworn in at the park - standing apart and wearing their masks.

We congratulate all those who stepped up - (in picture from left) - Ann Lomonte, Auditor, Vicky Impollonia- 2nd VP Ways & Means, Edie Allen - Recording Secretary, Tina Diamond - President, Lynda Leone - 1st VP, Cathy Sewell - Treasurer (missing Judy Vasquez - Corresponding Secretary). WELFARE

St. Kilian's Outreach needs our help to be able to meet the needs of the families in our community especially the children, who have not been in school receiving free breakfast/lunch for several months. Normally the need for donations is heightened during the summer months when children are home from school. Unfortunately, this year the pandemic has increased the need even further.

For anyone who would like to help, the Welfare Committee will be having a voluntary collection of non-perishable food items, personal items and paper goods which can be dropped off at the next club meeting on July 15 or at Rosemary Emigholz' home (16 Nelson St.) by July 17. Included is a list of their most needed items.

Once again, the generosity of our club members is astonishing and your unwavering support very much appreciated.

EMPTY PILL BOTTLE RECYCLING

This plastic recycling program keeps thousands of bottles out of landfills each year. This pill bottle program fulfills the dual needs of improving medical care in developing countries and caring for our environment.

Acceptable collection items include: Prescription and over-the-counter pill bottles, large and small pill bottles, pill bottles with and without secure caps (child-resistant)

What You Can Do:

If you wish to prepare bottles for shipment rather than recycling, please adhere to the following guidelines:

- * Bottles included in shipments of medical supplies must have an all plastic lid.
- * Sort bottles by color and type.
- * Remove labels, leaving no glue or residue.
- * Wash bottles in very hot water and dish soap.
- * Rinse and dry thoroughly.
- * Replace lids on clean, dried bottles.

Clean pill bottles will be collected at every meeting. Ann Lomonte is the chairperson of this Ad-Hoc committee. Please sign up if you would like to help. The committee will package the pill bottles in zip lock bags, marked Clean Bottles then will mail to: Matthew 25 Ministries 11060 Kenwood Road Cincinnati, OH 45242

For Our Club:

This pill bottle program fulfills the dual needs of improving medical care in developing countries and caring for the environment. Public Issues & Environmental Conservation initiatives will be credited to The Farmingdale Women's Club with reports at the end of this year.

Thank you for your support of this project!
