HAPPY BIRTHDAY TO US!!!

Our next general meeting has been set aside for a special luncheon - The Farmingdale Women's Club Birthday Luncheon to be held on April 6, noon, at Tre Scalini Restaurant. We all should be especially celebratory as we have had a spectacular year upholding the club's proud tradition in promoting civic, educational and social interests in this community. Though our predecessors may have had to march in the streets to be heard - we held a successful salute of this club's charity efforts - past and present - at a Women's History Month event and our guests walked away with the knowledge of the important contributions this club has made to everyone's life. The legacy continues as we welcome five new members to the fold and hopefully our message will motivate other community members to join us in making a difference. For now, we will shine on as bright as the 104 candles on our birthday cake and enjoy our celebration. Congratulations to our new members as you are presented with your rose. Special thanks to all club members for making this a successful year. Your participation at club events helps to ensure our club's success into the future. Upcoming events are:

I measure the progress of a community by the degree of progress which women have achieved.»

Rosemary Emigholz invited Father Duffy to meet the women in the Farmingdale Women's Club. He was very appreciative of all that we do for our community and St. Kilian's.

Our new curio cabinet at the library! How lucky we are to be able to display our history for all to see!

Thank you to the many members who worked together to get this accomplished!

CARLA PEIPERT'S PAINTING

When Carla moved, she gifted me with two of her paintings. I would like to offer one of them for auction to benefit our club's scholarship fund. Not only did Carla sit on the Board of Education but she also served

PROPER ATTIRE

The question has been asked many times concerning "appropriate attire" at meetings and when representing the club. So, in deference to the fact that the Women's Club of Farmingdale is a "working," community organization, the club would like to remind all members that it is important to present a respectful and appropriate appearance, not only at meetings, but anytime a member is representing the club at public events and functions. Casual, neat and "business appropriate" attire is suggested.
