### WILL "U" BE A PART OF OUR FUTURE?

Our By-Laws have been revised and voted on by all our members - those that have been members for awhile and by our newer ones. This agreement by all to follow these guidelines will add a clear way to move forward next year. A Nominating Committee has been established to build a 2018-2020 Executive Board. Will "U" be a part of the Farmingdale Women's Club future? I ask you to think about it. If you have been on a committee this year and have had ideas - now is the time to chair that committee and make your ideas real. Everyone who has been a committee member this year must have realized that it took the whole committee to "make it happen!" No one, not even the Chair, could have done it by herself. Every committee in this club has had terrific helping hands and that won't change if YOU become a chair. And, there will always be club support behind each and every project you do. We are all in this together and we will not fail or stray this course of success! Please think about being a part of this club's future when the nominating committee makes that call! Thanks to the Nominating Committee volunteers - Anna Ievoli-chair, Cathy Sewell, Ann Lomonte, Maryann Seales and Rosemary Emigholz. The whole club wishes you well in your important job. For now, let us not forget the projects that are still in place and could use your support:

**CRAFTS COMMITTEE:** The craft committee will once again meet at Allen Park on Tuesday, Feb. 20 at 10:00 am and will begin making decorative pumpkins. Members who wish to attend must bring their own scissors, needle and thread, glue gun and an extension cord.

**CIVICS & LEGISLATION:** March 1 at 7:30 pm at Allen Park the civic group CCAF will host Town of Oyster Bay Supervisor Joseph Saladino and members of the TOB Board. Join in the conversation regarding the upcoming renovations at Allen Park.

The Village of Farmingdale Trustee vote will be held on March 20 - and our Vice President - Cheryl Parisi will be again running for her trustee position on the board. Also in the village - The Farmingdale Village Board meeting to discuss an upcoming new Staller apartment building at the old CVS site has been rescheduled to April 2. It's an important discussion and the contractor and reps will be there to hear the community's voice.

**ISLAND-METRO CULTURAL ARTS LUNCHEON:** This luncheon will be held at Domenico's on March 12. If there are any entrants for painting, crocheting, knitting from members please call Anna Ievoli for registration to the contest. Those who wish to attend should make check payable to the Women's Club of Farmingdale for \$38 and give to Lynn Connolly. Pauline Bove will be a paid delegate and this club will accept one more. Let me know if you would like to be a delegate. Delegates will vote on the cultural arts entries at the luncheon and are responsible to hand in a written report at the April meeting.

**BIRTHDAY LUNCHEON:** The Birthday Luncheon committee: Gail McGuirk and Ellen Pence have reserved Tre Scalini on April 12 at noon for the April Birthday Luncheon. The club will accept one new member and celebrate its 105th birthday anniversary at this luncheon. Gail or Ellen will accept checks made payable to the Women's Club of Farmingdale for \$40 per person.
