Here it is! The much-awaited Mother's Tribute edition of our newsletter and Cheryl & I hope you enjoy the many pictures that were sent to remember and honor our moms during this Mother's Day month. We hope that you enjoy reminiscing as you look at the pictures of those good times and the women who shaped our lives into the ladies that we are. God Bless all of them for molding our characters into charitable, empathetic beings eager to make our world a better place. What a fitting tribute! Speaking of "fitting" - we all had a fantastic time at the Farmingdale Women's Club Chico Fashion Show. The member models were beautiful and so were the clothes and the event was just perfect for a sunny, Sunday afternoon. Thanks to Ingrid and Val and the entire Ways & Means Committee for this "fun-raiser" and to our family and friends who supported this club. We continue to honor our lady leader into next club year as this club has been awarded the grant for an historical marker to be placed at Abigail E. Leonard's home on Hallock St, E. Farmingdale. Planning for this special event will begin throughout the summer months so keep watching News & Notes for updates for this "special tea". Events that are still taking place and hope you will support are:

Civics & Legislation: There are a few meetings that some may be interested in attending to "make a difference" in the community. These are **Mon., May 1st - Farmingdale Village Bd.** Open Meeting, Village Hall. **Tues., May 2nd** - important meeting of the Republic Airport Commission at Republic Airport - the more attendance of community members is making a difference in the planning of this airport, **Wed, May 3rd** - Farmingdale Board of Ed meeting Howitt Bd Rm at 8:00 pm. Environmental Class & Interact Students are making a statement at this meeting and could use some support - **Thurs., May 4th** - CCAF at Allen Park - Board of Education Meet the Candidates Night - 3 candidates vying for 2 open seats will present their agenda to the public as well as an explanation of next year's School Budget proposal to be voted on by the community on Tues., May 16. Be informed and supportive of these community efforts and always remember to vote in your School District election!

General FWC May Meeting: Thurs, May 4th at noon Allen Park - The meeting will be starting at 12:30 with guest speaker Heather Parisi who was placed into the Farmingdale High School Wall of Fame for her achievement in overcoming obstacles in her life and then, in heartfelt gratitude, went on to help others. Important Note: All committee chairs are required to write a report of their committee efforts throughout this year. Three copies are required - to be collected and saved in the Women's Clubs historical records and to be used as instructions for the next committee chairs. Reports will be accepted by email to - tdtd108@aol.com.

Long Island Federation Convention: Fri., May 19th at Chateaubriand, Garden City. A very important convention that will be the last Presidential event for LIFWC President Fran Rotondo. Support for her (and me - I'm convention chair) will be very much appreciated. \$50 check made payable to the Women's Club of Farmingdale may be given to Fran or myself. Thank you in advance!!!

WALL OF FAME

CARLA PEIPERT'S PAINTING

When Carla moved, she gifted me with two other paintings. I would like to offer one of them for auction to benefit our club's scholarship fund. Not only did Carla sit on the Board of Education but she also served as president of the Women' Club of Farmingdale twice.

Those of us who own some of her works cherish them. My thought is to sell chances on it and possibly award the painting at the birthday luncheon in April or at the June luncheon if we need more time.

Ladies, please remember to recycle your old eyeglasses. They will be donated to the Lions Club for recycling worldwide. Collections will be made at all in-house meetings.

Thank you, Maria

PROPER ATTIRE

The question has been asked many times concerning "appropriate attire" at meetings and when representing the club. So, in deference to the fact that the Women's Club of Farmingdale is a "working," community organization, the club would like to remind all members that it is important to present a respectful and appropriate appearance, not only at meetings, but anytime a member is representing the club at public events and functions. Casual, neat and "business appropriate" attire is suggested.
